Child and Adolescent Development _____ Family Studies _____

Application Requirements:

- Cumulative GPA of at least 2.5
- Applicants must have completed or have in progress at the time of application: **PSYC 100**, and **MATH 124, 220 or 234**
- Applicants who will have completed 60 or more hours by the beginning of the next semester must have completed **PSYC 100 and MATH 124, 220, 221 or 234**, and must have completed or have in progress at the time of application: **HDFS 105**

In addition to this form, please submit the following:

1. **A personal statement** that explains your interest in HDFS as a field and as a path toward your post-graduation professional goals. If you wish, you may also summarize relevant experiences in this statement.
2. **A proposed course schedule.** Use the attached sheets to indicate how you'll select courses to complete requirements for a major in HDFS. The curriculum checksheet shows all required courses. Be sure to plan courses for the correct semester they're offered; the second page of the schedule sheet indicates the semesters that many courses are typically offered.

Submit complete application packets to: HCD Undergraduate Coordinator
133 Bevier Hall

Application Deadlines: **October 1** (for spring transfer) and **March 1** (for fall transfer).

Applicants will be notified of the disposition of their applications before the beginning of registration for the next semester.

PROPOSED COURSE SCHEDULE

Use this form to show how you'll complete graduation requirements for the HDFS concentration you wish to transfer to. You'll find degree requirements in the application transfer packet and in the *ACES Student Handbook*. If you're using the application form on the HCD website, you'll find course requirements on the pages at the end of this document. **Please fill in all semesters, including those you've already completed.** As you fill in future semesters, make sure you include future courses in the semesters in which they are available. The list at the bottom of the following page shows semesters in which common courses for the major are usually offered.
